*This writing retreat was so powerful. Your combination of truth, wisdom, leadership, and love made this event a life changer for me. It's been a long time since I have felt this kind of fire to write. The care you poured into every little detail for our benefit just shows the caliber of your character. I'm proud to call you mentor and more importantly, friend. Thank you from the bottom of my heart. With respect and love. -Margie Engmann*
